Christian Dior @ the Royal Ontario Museum, Lecture and Exhibition

Curious about what it takes to mount an exhibition at the ROM? Join Dr. Alexandra Palmer along with members of the Christian Dior project team as they present the complex task of developing an exhibition – from inception to development to display. Speakers: Dr. Alexandra Palmer, Senior Curator and the Exhibition Project Team of the Dior Exhibition.

After the lecture you will have the opportunity to explore the brilliance behind Christian Dior's dramatic creations that revived the Paris haute couture industry after the devastation of the Second World War. Celebrating the House of Christian Dior's 70th anniversary, Christian Dior features a selection of breathtaking designs from daytime to evening wear for grand occasions, and explores how and why Christian Dior's iconic lines, luxury textiles, and romantic embroideries laid the foundation for the global success of the fashion house.
