

McIntosh Gallery Student Projects Committee

McIntosh Gallery is piloting a new student engagement program this year called the Student Projects Committee. The idea is that a group of enthusiastic students with an interest in the gallery come together on a regular basis to work on student-led projects and activities related to or in support of McIntosh Gallery. Think fundraisers, social media campaigns, exhibition interpretation activities, student-led tours, videos, meet-and-greets, and more! The Student Projects Committee is entirely student-led and is your chance to make your mark at McIntosh Gallery.

The time commitment is approximately 1-3 hours per week from November to April.
