CANADIAN ART COLLECTION D'ART CANADIEN

David Milne: Modern Painting

This exhibition will follow Milne's artistic development and journey into modernity as he moved from the bustling sidewalks of New York to the war-torn landscapes of northern France and back again to the woods, fields, and skies of the northeastern US and Canada. Through more than 90 works in oil and watercolour, never-before-exhibited photographs and drawings by the artist, and memorabilia collected by Milne during his time in Europe as an official war artist, Milne's ingenuity in capturing landscapes will be illuminated.
