

The McIntosh Gallery Art & Travel Committee Presents a day in Toronto

AGA KHAN MUSEUM

Founded in 2014, the Aga Khan Museum is dedicated to fostering intercultural dialogue and understanding.

THE MOON: A VOYAGE THROUGH TIME: This was the museum’s most successful exhibition to date. The Moon: a Voyage Through Time (2019) – returns by popular demand. The illuminated sculpture seeks to fill us with calm, hope and wonder in complex times, and to remind us of the many ways we are all connected. Wherever we are on earth, the moon glows up above, uniting us all. Feel the emotions that inspired centuries of artists and scientists gazing skyward. Explore the many meanings of the moon in Islamic cultures past and present.

Light: Visionary Perspectives - . Marking the Museum’s 10 anniversary, Light: Visionary Perspectives dives into the omnipresence and impact of light, placing visitors at the center of an immersive exhibition filled with contemporary installations by renowned artists.
